

THE BACKPACK PROGRAM

**NO SCHOOL SUPPLIES FOR
THE UPCOMING YEAR?**

**NO PROBLEM!
WE'RE HERE TO HELP!!!**

A PROPER EDUCATION PROVIDES THE BASIC FOUNDATION OF KNOWLEDGE & KNOWLEDGE IS POWER!

School is important for learning and development which allows kids to excel later on in life, but without any school supplies it's harder for kids to fully apply themselves and get the most out of their school year. Even if a kid is being homeschooled or doing online school they still need school supplies!

The Chestermere Regional Food Bank provides Backpacks filled with school supplies to ensure that students of all grades and ages are prepared for the upcoming school year. We ask for the schools support in providing school supply lists for each grade, and to let students know this program is available for anyone requesting assistance.

Once you tell us your school and what grade the child is going into we will fill the backpack with all the supplies you need for the upcoming school year based on your school's "supplies lists".

The "Backpack Program" runs from July to September.

To sign up for the program you can apply online using the QR code below, call, email, or come visit us at the Chestermere Regional Food Bank with the info provided below. All it takes is answering a few questions and you're all set!
