

## Grade 9 Supply List

Students in grade nine will be responsible for acquiring or purchasing their own personal school supplies. The list below outlines what we believe your child will require for his/her grade nine year. Please have everything labeled with the student's name.

For core courses:

- Students are encouraged to bring a personally owned laptop and charging cord (both labelled with the student's name). System requirements for personally owned devices can be found at this link:

Note: iPads have not been fully effective in the classroom. They do not open certain documents, and students cannot read all materials posted to Google Classroom with them. If you are considering one as your child's device, he/she will be at a disadvantage. Please contact Mrs. Bell for the use of a school Chrome Book device ([tbell@rockyview.ab.ca](mailto:tbell@rockyview.ab.ca)). The form found on the school's website at this link will need to be filled in and returned to her before a device can be issued:
